

# Jesus Works For You

## **OBJECTIVE**

This training focuses on shifting our perspective from solely our efforts in ministry and leadership to recognizing the active work of Jesus on our behalf. We explore how Jesus prays for us, reveals Himself to us, fights for us, and cries with us, even while working to answer our needs and bring glory to God. By understanding Jesus' active role, we can find a deeper revelation of Jesus that is more fulfilling than solutions to our problems.
