

# God's Provision for Vision

## **OBJECTIVE**

Have you ever felt you had more vision than provision? By examining Moses's journey from the palace to the promised land, we learn that God's presence, authority, and people are the essential resources for fulfilling His vision. This training encourages leaders to depend on God's supernatural provision, starting with the resources they already have, and to prioritize His presence above all else.

## **OVERVIEW**

- The balance of vision and provision
- Moses's Example
  - The Palace vs. The Promised Land
  - God's Provision
  - Transformation and Trust
- Dependence on God for all resources

## **VERSES REFERENCED**

Hebrews 11:23-29

Exodus 3:11, 13

Exodus 4:1, 14

Exodus 33:15

### **QUESTIONS FOR FURTHER STUDY**

1. What area of your ministry vision currently feels under-resourced? How can this session's teaching help you approach this challenge differently?
2. In what ways have you been tempted to rely on "palace resources" rather than God's provision?
3. What are the "sticks" in your hand that God can use to fulfill His vision in your life?
4. Who is your "Aaron"? How can you pray for God to send workers into your ministry?
