

How to Build Trust

OBJECTIVE

The foundation of ministry is built on trust. This training explores the crucial role of trust in leadership, emphasizing that it's not merely about measuring the trustworthiness of others, but actively building trust within your team. We cover the example of Jesus and Peter to illustrate how trust is built through shared experiences, close relationships, intentional communication, and consistent investment over time. Learn how to empower your teams to grow in the ministry's vision.

OVERVIEW

- Defining trust
- The leader's role
- How Jesus built trust with Peter
 - Experience
 - Relationship
 - Words
 - Investment
 - Consistency
 - Delegation vs. assigning authority
- Building trust takes work

VERSES REFERENCED

Hebrews 11:6

QUESTIONS FOR FURTHER STUDY

1. In what ways can you invest in your team members' development to build trust and prepare them for future leadership?
2. What obstacles might hinder your ability to build trust with others? How can you overcome these obstacles?
3. What are some practical ways you can create experiences for your team members that will help build trust?

SCRIPTURE FOR FURTHER STUDY

Matthew 18

Ephesians 4:1-6

Philippians 2:1-4
