

The One Story

OBJECTIVE

The Bible is 66 books with multiple authors yet one story. In this training, we explore into the comprehensive story of the Bible, understanding how different stories and characters fit into the larger narrative. It highlights key periods, figures, and events, emphasizing God's redemptive plan throughout history. From the creation in Genesis, the journey of the Israelites, the divided kingdoms, to the life of Christ, and finally the Book of Revelation, this training aims to provide a holistic understanding of God's plan and the overarching story within the Bible. This summary will help you grasp the coherent story behind the individual books, enabling you to study and teach the Bible with greater insight and effectiveness.
